Pay June Installment

You are welcome to register anytime from now until evaluations, but please remember we won't be able to evaluate your athlete for placement without a signed contract and registration.

Please do not attend evaluations, if you are not sure that you want to commit for a full year (June 2026-May 2027)!

*If your athlete was born in 2017–2021, he/she is eligible for an All Star Prep or Elite Tiny/Mini team. Athletes in Prep and Tiny divisions have the opportunity to compete higher-level tumbling and stunt skills. If your athlete was born in 2017–2019 and is open to a Prep or Elite team placement, please pick up the other packet and indicate this on your contract.

*We will be offering a \$25 credit towards your deposit for each person you refer that isn't a

past/present student at Exceleration. *Please remember that anyone you refer must email us and let us know that you referred them. They also must turn in their contract and pay their deposit in order for you both to receive your credits.

Mandatory Practices & Expectations

All-Star season starts the first week of June 2026 and goes until the end of May 2027. You must be committed to the team until then.

Everyone is allowed a maximum of 7 Absences throughout the season. These absences may not be used during mandatory practice dates. Practices are mandatory 4 practices before any competition or performance, and during the choreography dates listed below. If your child goes over their 7 absences for the year, or misses a mandatory practice, performance, or competition, we reserve the right to permanently remove him/her from his/her team

We reserve the right to hold a mandatory the Friday practice the day before any performance or competition if we feel that a team needs the extra practice, so please leave those days open.

Practice Times & Holidays

We follow the Provo/Alpine school's holiday schedule fairly consistently, as far as practices that we will take off. For the summer, we will take off one practice for the 4th of July holiday, and one practice for the 24th of July holiday.

*We will be sending out our welcome email for all 2026-2027 all-star team members approximately 10-14 days after team placements. In that email, we will include your athlete's summer practice times, which will begin the first week of June. Additionally, we plan to release a final competition schedule at the end of August, so you can plan accordingly.

Mandatory Choreography Dates

- August 24 - September 4
- September 8-September 12

Competition/performance season runs from December-May and we ask that you do not plan vacations during that time until after you have received the final competition schedule. You will receive the final competition dates by the end of choreography. *There will not be practice over the Fall, Christmas, Thanksgiving, or Spring breaks, so you are welcome to plan vacations during those times. *Each athlete needs to plan on leaving competition days open as we have seen competitions go late into the evening. *Please do not plan anything on the days of competitions! ALL athletes are required to stay through his/her team's awards!

Shoes

Everyone needs to purchase their own cheer shoes! We will give a few recommendations, but you are welcome to purchase whatever cheer shoes you prefer, as long as they are all white. Thank you for your consideration of our program!
